What's New @ Coudelaria Maria Chambell

PIONEERS

*In June 2021 history was made again! **Reverend Fly** is the first Leopard Warmblood born and bred in Portugal. We hope to see him in the future in the ring and as a stallion!*

Just in Time x Bratt x Indoctro x Ahorn

NEW HOMES

*This Fall was time to say goodbye to some of our homebreds who found new great homes: **Flamingo Fly Z** stays in Portugal and **Las Vegas Fly & Legacy Fly Z** have found new homes in USA. Best luck for them and the new owners!*

TOP CHOICE

*Time to acquire your next star: you are too late for the FLYs already born but plenty on time for the 2 foals expected in **2022**:*

- 1) out of **Ability Z** (Argentinus x Cash) - 50% chance to be tobiano*
- 2) out of **Zita** (Bratt x Indoctro) - 100% chance to be spotted (Leopard/ Fewspot)*
